

A tropical beach scene with several tall palm trees. A white hammock is strung between two trees. A man in a light blue shirt and a woman in a dark dress are standing and talking near the hammock. A group of three people are sitting on the sand in front of the hammock. There are several lanterns on the sand. The ocean is visible in the background under a clear sky.

BALI, INDONESIA

Nestled between the peak of the Batur volcano and the clear waters of the Indian Ocean, Bali is one of Club Med's most picturesque resorts. Balinese décor dots every inch of this exquisite retreat, from the tips of each peaked roof to the wooden floor of its open-air pagodas. Club Med Bali recently introduced a gourmet restaurant for your group to enjoy or relax with a drink at the poolside bar designed by Mark Hertrich. With recently-renovated rooms, it's the perfect place for groups to gather before and after any event.
