YOUR VACATION

DAY 1 Arrive in Arusha, Tanzania. Welcome to Africa! Hotel rooms are available for mid-afternoon check-in.

DAY 2 Arusha–Tarangire National Park Area. Travel south to TARANGIRE NATIONAL PARK, where baobab and acacia trees dominate the landscape. After lunch, embark on an exciting

AFTERNOON GAME DRIVE. (B,L,D)

DAY 3 Tarangire Area. Today features MORNING & AFTERNOON GAME DRIVES in the savannah grasslands. Enjoy panoramic views of baobab and acacia trees as you search for the elephant, eland, zebra, and Cape buffalo that congregate around the waterholes. Relax at your lodge or camp between game drives. (B,L,D)

DAY 4 Tarangire Area–Lake Manyara National Park–Ngorongoro Conservation Area. One last GAME DRIVE in Tarangire en route to LAKE MANYARA NATIONAL PARK at the base of the Rift Valley escarpment. This small park is ecologically diverse, with groundwater forests, grassy plains, and alkaline Lake Manyara itself. During a GAME DRIVE, watch for elephant, Cape buffalo, and giraffe. The park is also home to the world’s largest concentration of baboon. Continue to the NGORONGORO CONSERVATION AREA for the night. (B,L,D)

DAY 5 Ngorongoro Area. Today, a FULL-DAY GAME DRIVE in Ngorongoro Crater. The crater is technically a caldera—the world’s largest unflooded, in fact, at more than 2,000 feet deep with a floor covering over 102 square miles. Game viewing here is fantastic, as most of the animals stay in this area year round. You can see lion, Cape

buffalo, hippo, elephant, and flamingo. This is also your best chance to see the rare black rhinoceros. A picnic lunch will be served in the crater. (B,L,D)

DAY 6 Ngorongoro Area–Serengeti National Park. Today, drive to SERENGETI NATIONAL PARK, Tanzania’s largest and most famous park. Home to the annual Great Migration of wildebeest and zebra, generally between late November and July, it attracts visitors from around the world and is great for game viewing year round. Enjoy lunch prior to your AFTERNOON GAME DRIVE. (B,L,D)

NOTE: The Great Migration is a natural event, and the arrival/departure of the migrating herds varies slightly from year to year.

DAYS 7 & 8 Serengeti. The Serengeti covers an area of roughly 5,700 square miles, so it is no surprise that the name comes from the Maasai word *siringit*, meaning “endless plains.” Continue exploring this vast park during MORNING & AFTERNOON GAME DRIVES both days. Search for the “Big 5”—lion, leopard, Cape buffalo, elephant, and rhino—as well as an abundance of other animals, including cheetah, giraffe, gazelle, and eland. Between game drives, take advantage of leisure time to relax. (B,L,D daily)

DAY 9 Serengeti–Arusha–Homebound Flight. This morning, fly back to Arusha, where your vacation ends with lunch. We have secured a day room for you at the Mount Meru Hotel before a transfer to the airport for your late-evening flight. Book homebound flights after 5 pm. (B,L)
